

Schedule of pedagogical activities  
Preschool 2

WEEK: April 13th to 17th

DAY	ACTIVITY
MONDAY	<p>Magic box/bag</p> <p>Choose 10 fruits and vegetables (strawberry, watermelon, melon, apple, papaya, banana, cucumber, onion, tomato, potato, carrot). Then let your child identify the 10 items you chose. Next, put all the fruit and vegetables in a bag or a box, explain that he/she has to take out a toy from the bag or box without seeing. Finally, your child has to describe it, example: What is this? This is a (apple) What color is it? It's color red. Then keep repeating the process until you finish with the five toys</p>
TUESDAY	<p>Interviews</p> <p>Listen the conversacion in the website and the practice! You can print the interview in the school official website.</p>
